

## MARQUIS GUARANTEE

We are committed to maintaining high standards in production methods and the quality of our bathroom furniture. Marquis Lifetime Guarantee applies to the Marquis range of vanities, mirrors and shaving cabinets manufactured by us.

In the unlikely event that you identify a defect in the product that is attributable to manufacturing or materials, we will fix it free of charge. Best of all, this Guarantee is valid for the entire time you own the product (please keep a copy of your proof of purchase).

Please ensure that the product is inspected **before installation**. If damage has occurred in transit and/or a visible defect exists, **do not proceed** with installation. Please contact the retailer you purchased the product from immediately and advise.

**This guarantee will be void if defective product is installed and damage occurs due to improper maintenance, installation or use.**

Marquis liability is limited to repair, replacing or giving a credit for the faulty goods, and it does not include installation and/or any other Trades services.

Marquis vanities are manufactured with high quality moisture resistant materials but are not waterproof. Excessive water and sunlight exposure and other environmental conditions will factor in our guarantee assessment.

All materials and componentry purchased by Marquis are of high quality and comply with Australian Standards. Proprietary items purchased by Marquis, including light fittings, hardware, vitreous china tops and mirror glass, are not guaranteed by our company but will be subject to their manufacturers warranty.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

**IMPORTANT: Warranty will be void if not installed by a qualified tradesperson**
