Customisable overflow ring colour available | 32mm plug and waste hole.

Davos top

Enjoy the convenience of receiving a Marquis moulded top along with your vanity at no additional cost. Moulded bathroom tops are crafted in a single piece, which means there are no seams or joints. To purchase as a stand alone item please contact our customer service team for pricing.

All measurements are in 'mm' and are approximate and to be used as a guide only. Installation preparations are not recommended without product onsite. Variations of +/- 5mm are common in ceramic products. Please allow for such variations.
